RECLAMATION LAW PROPOSED

Senator James May Introduce It in Next Legislature

Senator W. Frank James announced this morning that a bill would be introduced into the next session of the legislature to aid in the reclamation of the cut over lands in the state, the Hancock senator announcing that if the bill was not introduced by some other member of the legislature he would himself frame and introduce the bill.

The proposed law is very similar to the law passed in Wisconsin in 1911. The Wisconsin law which is to be the basis of the Michigan bill, is as follows:

"For the purpose of promoting the public welfare by enabling settlers to reclaim cut over lands, the county board of any county may issue special improvement bond for the purpose.

"When twenty-five or more settlers petition the county board setting forth that they are the owners of cut over land, describing same and that it would promote the general welfare to reclaim said lands by clearing the same of stumps, and that the cost thereof has been estimated by some competent person and setting forth such estimate as to each governmental subdivision of forty acres, the county board may issue county bonds, not less than four per cent per annum, non-taxable semi-interest coupon bonds, executed in behalf of the county by the county chairman and countersigned by the county clerk, said bonds to be sold at not less than par and not to non-residents until residents of the county shall have a fair opportunity in the opinion of the county clerk to purchase the same. The proceeds shall be paid into the county treasury and shall be used in defraying the expense of clearing and reclaiming the cut over lands described in the petition but the amount to be paid to any one owner of land from the proceeds of the sale shall not exceed the amount estimated in the petition as necessary to clear the land and shall not in any case exceed the sum of twenty-five dollars per acre."

Senator James in commenting on this issue said that such a law was needed in Michigan in his opinion and that its operation would be a great benefit not only to the lower peninsula, but also to the upper Michigan counties. There is a great deal of land in Houghton county alone that could be benefited in this way and the Hancock senator believes the sooner the law is introduced the better it will be for the state.

COUNCIL MEETING TONIGHT.

Several Important Matters Will Come Up This Evening.

The Hancock city council will hold its regular mid-monthly meeting this evening in the city hall. General Manager Stockly has had the council rooms thoroughly cleaned and placed in the best of condition.

Several important matters are scheduled to come before the meeting. It is likely that the Hanchette condemnation case will come up again for consideration, although the council ordered proceedings started at once at the last meeting. It is likely that some new developments in the matter will be placed before the council that may cause a change in the attitude of the council.

Another important matter that will in all probability be discussed is the proposed redistricting of the city, the committee that was appointed at the last meeting having been at work collecting data on the subject which likely will be laid before the council.

FACE COVERED WITH PIMPLES

Red and Irritated. Pimples Festered. Itched and Burned. Used Cuticura Soap and Ointment About 3 Weeks. Was Completely Cured.

1613 Dayton St., Chicago, Ill.—"My face was very red and irritated and was covered with pimples. The pimples festered and came to a head. They itched and burned and when I scratched them became sore. I tried soap and they would not stop the itching and burning of the skin. This lasted for a month or more. At last I tried Cuticura Ointment and Soap. They took out the burning and itching of the skin soothing it very much and giving the relief that the others failed to give me. I used the Cuticura Soap and Ointment about three weeks and was completely cured." (Signed) Miss Clara Mueller, Mar. 16, 1912.

BURNING AND ITCHING

Day and Night. Eczema in Form of Rash.

Moore Hill, Ind.—"My little daughter had a burning and itching sensation day and night. The eczema was in the form of a rash. It began first in patches on her face and under her arms, and then on her hands. We were very much alarmed about her as it was spreading so rapidly. We used Cuticura Soap and Ointment about one month and they cured my little daughter of eczema. Her skin is as smooth as could be and she is in fine health." (Signed) Mrs. Lizzie Roof, Jan. 27, 1912.

Cuticura Soap and Cuticura Ointment are sold throughout the world. Liberal sample of each mailed free, with 25¢. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

For tender-faced men should use Cuticura Soap shaving stick, 25¢. Sample free.

RECEPTION TO TEAM.

Hancock High Will Receive Letters— Other High School Notes.

A meeting of the football team of the Hancock school was held Monday evening for the purpose of deciding on the monogram to be presented to the members of the team by the athletic association. The boys finally picked a seven inch block "H" as their reward for playing the required number of games. Monograms had been selected for nearly every other sport in the school and it was thought best to use the one letter, this being the style used by most high school and college football teams. The following men are eligible for letters: Light, Merke, Martin, Larsen, Punksy, Mette, Condon, MacLean, McGlynn, Brock, Parrett and Gillespie. At the meeting an invitation was extended to the team to attend a banquet given by the faculty and juniors and seniors next Saturday evening in the high school building. A short program will be rendered and a lunch served in the commercial department rooms of the school. The above mentioned men will be the guests of honor.

The committee appointed for the selection of the pins for the graduating class met last evening and were shown samples by one of the students of the mining school. A selection will be made by the committee and presented to the class for approval.

Two Junior Class Plays.

The juniors who have been selected for the cast of the junior plays, "Spreading the News" and "Every Student" have been practicing regularly and are now taking their parts with a great deal of stage talent. Miss Scallan has been drilling the students in the planned to stage the plays about December 29.

The members of 1912 baseball team of the high school met Monday evening in the high school building and selected a monogram for the sweater jackets which are to be given by the school in the near future. A combination monogram consisting of the three letters "H. C. H." was selected and will be ordered immediately.

Banquet For Football Team.

The banquet will close on the 28th of November for the "Thanksgiving holiday" but will reopen on Friday and the regular school session will be held.

Lewis Barrett, captain of the high school football squad, yesterday tendered the members of the football team an invitation to a banquet at the Scott Hotel on Thanksgiving night. Rev. Marcus Parrett to be host. Mr. Barrett stated that the boys put up such an excellent game of football against their heavier opponents that he thought they were deserving of such.

REBEKAH LODGE DANCE.

Hancock Society Will Entertain at Party Friday Night.

Holly Rebekah lodge, No. 319, will entertain at a dancing party in the Hancock Old Fellow's hall, Friday evening. The program will be as follows, music being furnished by the Hancock city orchestra:

Two-step—Oh! What a Beautiful Dream.
Waltz—When Was There Ever a Night Like This.

Two-step—When I'm Alone, I'm Lonesome.
Waltz—That's How I Need You.

Two-step—Keep Away From the Man Who Owns an Automobile.
Waltz—Harbor of Love.

Two-step—I'm the Lonesomest Gal in Town.
Waltz—Pink Lady.

Two-step—The Band Came Back.
Waltz—Somebody Else Will If You Won't.

Two-step—You've Got To Take Me Home Tonight.
Waltz—Alma Where Do You Live?

Two-step—Rat Time Soldier Man.
Waltz—I am Going To Write You a Letter.

Two-step—When I Get You, Alone Tonight.
Waltz—Melody in F.

Two-step—Honey Moon Love.
Waltz—Good-Bye.

"FORTUNE HUNTER" PLEASES.
Comedy at Kerredge Witnessed by Good Sized Audience.

"The Fortune Hunter," which was presented at the Kerredge theater last evening, proved to be a most enjoyable play, being presented before a good-sized audience.

Every member of the cast proved to be most competent and to single any one member out for special mention would hardly be fair. The work of Thomas Rolfe as Sam Graham, the village druggist, and that of Denton Vane and Fred Hand as Nat Duncan and Henry Kellogg, was a little above the average, however, while Miss Grace Childers as Betty Graham, the only child of the village druggist, proved equally good. "The Fortune Hunter" will be presented at the Calumet theater this evening.

DISCOUNT LIMIT CLOSURE.
Water Clerk Al Fredd this morning announced that no exception would be made tomorrow in regard to the granting of an extra day for the usual discount granted on water bills.

The twenty day period during which this discount is allowed expires this evening and the full amount of the bills will be collected after today.

HANCOCK BREVITIES.

A card party and dance will be given by Superior lodge, No. 1957, Modern Brotherhood of America, at the Rouleau hall on the evening of Wednesday, Nov. 20. Klinghammer's orchestra will furnish the music.

The ladies' guild of St. Joseph's chapel will hold their bake and fancy work sale in the McCarthy building opposite the Savoy theater next Saturday.

Henry Nikkila has returned from a visit to Green Bay.

Rev. Reuben Crosby and Rev. Stephen Polkinghorne left yesterday for Ishpeming to attend the district conference of M. E. pastors.

Isadore Gartner has returned from a visit to Milwaukee.

William Stillmeyer departed last night for Los Angeles where he will join his wife who preceded him by a couple of weeks.

A reception for the high school football team will be held in the high school building next Saturday evening. The Hancock team has just closed a very successful season, holding the Houghton team to a tie for first place, despite the big advantage the Houghton team possessed in weight and experience.

Mamie, the eighteen-year-old daughter of Mr. and Mrs. Nilla Savill, of Newtown, near the Franklin location, died Monday night. The funeral will be held Friday night with interment in Lakeside cemetery.

Lillian, the three-month-old daughter of Mrs. Sakari Pitkanen of Dodgeville, died Monday night. Funeral services will be held this evening.

F. Larew with a party of five Hancock friends left for Los Angeles yesterday afternoon.

Charles Robertson is ill at his home on Water street.

A team belonging to Alphorse Drouin, the Hancock grocer, ran away last evening about 5:30 o'clock. The team started from Railroad avenue and ran as far as the city hall where it collided with a street car. One of the horses had two legs broken and it was shot later.

MCGINNITY SPENDTHRIFT.

Insists on Team Paying Board As Well as His Salary.

There have been some thrifty ball-players and there are many today. Pretzel Getz of the old Detroit was wont to start on a long trip away from home with no valuables except a bone cellar button and a deceptive drop ball. If he did not win \$1.37 at pinocchio before the team got back to Detroit he was heart broken.

Among the modern crop of ball-players, Joseph John McGinnity, former president, manager and general pool-bah of the Newark club, looks after the pennies. As a return for his services Joseph got \$10,000 a year.

It is the custom of clubs to pay the living expenses of players previous to the official opening of the season. Last spring the Newark returned from their training trip and the club paid the board bills of the players, most of whom lived in other cities.

But McGinnity made his home in Newark and lived there with his family. The thrifty McGinnity turned in a bill for \$19 for board and lodging from the time he arrived in Newark to the opening of the International league season on April 15. To say that Treasurer Solomon "hit the ceiling" is a mild descriptive phrase.

But McGinnity got the \$19 in addition to his \$10,000.

MEET WITHOUT RESULT.

Evers and Tinker in Conference Fail to Agree.

Chicago, Ill., Nov. 20.—It was given out Monday afternoon that Manager Evers of the Cubs, and Shortstop Tinker, who wants to manage the Cincinnati Reds next season, held their final conference on Monday without result. It is now understood that Evers was willing that Tinker should go to Cincinnati if he can get a shortstop in the trade.

PROGRAM FOR DEDICATION

New St. Joseph's Church Will Be Blessed on Dec. 8

Work has proceeded so favorably on the new St. Joseph's church that the dedication services have been arranged for Sunday, Dec. 8. Pontifical high mass will take place at 10:30 a. m., which will be a public service. Right Rev. Bishop Els, of Marquette, will officiate. Rev. Fr. Barth will deliver the dedication sermon in French, after which he will address the congregation in English.

All the Catholic societies in the copper country have been extended invitations to be present, and the majority of them have already accepted. It is expected the congregation will be one of the largest that has ever attended a local Catholic service.

The station crosses, the gift of Joseph Fench, of Lake Linden, are to be placed and erected at the evening service which will take place at 7:15 p. m. Rev. M. Jodrey, of St. Jean de la Plante Catholic church of Marquette, will preach at this service.

Following high mass at the morning service dinner will be served in the basement of the church. A chicken dinner will be the menu, and covers will be laid for at least 600 persons.

The exterior of the new edifice was completed yesterday, and presents a very attractive appearance. Just above the entrance to the church may be seen statues of four saints. The statues and donors are as follows: St. Mark, from the farmers of the emigration; St. Matthew, from Medard Lafontaine; St. John, from Wilfred St. John; and St. Luke from fifteen ladies of the congregation. The statues were imported from Germany.

The edifice is large and there will be ample room at the rear of the altars. For the sanctuary a beautiful electric lamp is to be installed. This will be of gold, and a presentation from A. E. Heblkamp, president of the village of Lake Linden. The church will have a seating capacity of about 1,250.

WEDDED THIS MORNING.

Miss Bertha Garreau Becomes Bride of E. J. Archambeau.

Miss Bertha Garreau, daughter of Mrs. Margaret Garreau of Hubbell, became the wife of Edward J. Archambeau at 8 o'clock this morning, the ceremony taking place in St. Cecilia's church. Rev. Hubert Zimmermann officiating. The bride was attired in a navy blue corduroy velvet, which was trimmed with Irish point lace, and she wore a hat of beaver. She carried a prayerbook and a rosary of gold. The maid, Miss Eva Archambeau, sister of the groom, wore a blue velvet corduroy also trimmed with Irish point lace, and carried a prayer book and gold rosary.

Following the ceremony, which was witnessed by a large number of the friends of the young couple, a wedding breakfast was enjoyed at her home. A reception is to be held this evening in Opa's hall to which a large number of friends have been invited. Hart's orchestra will play. Mr. and Mrs. Archambeau will make their future home at Hubbell, the home being furnished.

BOWLING LEAGUE STARTS.

Lake Bowlers Start Tonight When Heckles and Dumpers Meet.

The Lake Linden Bowling League will start this evening, the opening contest being between the Heckles and Dumper teams. The contests of the league teams are to be played on the Kettinbell alleys and judging from the interest shown there will be a large number of spectators to see the opening games of the season.

The second games will be held on the alleys Friday evening and in all

probability the Bankers and Book-keepers will be the opposing teams. As yet some of the teams have not announced the names of their players, but Mr. Kettinbell will have the entire schedule completed tomorrow.

HALE AND HEARTY AT 81.

Mrs. Matthew Wareham Celebrates Her Birthday This Week.

Mrs. Matthew Wareham, Sr., passed the four score milestone of her life this week, and the occasion was celebrated in a quiet manner by the immediate members of the family. Mrs. Wareham is aged 81 and even at this ripe old age she is hale and hearty and does the bulk of the work about her home. Mrs. Wareham does all her own baking and looks after the wants of her husband.

Mrs. Wareham is from sturdy old English stock, having been born in 1831. For many years Mr. and Mrs. Wareham have resided in the copper country. Previous to coming here, they lived at Hancock, but the past 39 years of their life they have lived in Lake Linden.

MEETING HELD TODAY.

The regular monthly meeting of the Women's Foreign Missionary society of the Lake Linden M. E. church, was held this afternoon in the church parlors. The hostess was Mrs. Thomas Banberry.

TORCH LAKE BREVITIES.

Word has been received here to the effect that George Johnston's mother passed away at Bad Axe, this state, last Saturday. Mr. Johnston was called there by the accidental shooting of his aged parent. Mr. Johnston is expected home this week.

A number of the members of the Knights Templar will go to Houghton this evening to attend the meeting to be held in the Masonic temple.

The steamer Nicholas, cleared port this morning on her last trip of the season.

The Young Men's club of Mason will entertain at a dancing party in Opa's hall, Hubbell, Friday evening. The boys have engaged the services of Hart's orchestra. The proceeds will go toward outfitting a gymnasium the boys will have at Mason.

AUTO RACING SIGNALS.

Much More Complicated Than Those on the Diamond.

"I am often amused," said a famous automobile manufacturer, "at the stories about the signals used by a baseball team."

"There are probably more signals used in automobile racing between the driver and the pitman than were ever thought of by the highest developed 'inside' play. The signals are exchanged and must be caught while the car is going at sixty or seventy or even eighty miles an hour. The driver signals that he will stop the next time around and then signals for exactly what he wants—gasoline, oil, tire change, or anything else. The team manager signals the position in the race who is ahead or directly behind and in some cases instructions to ride easy or open 'her' up."

Anty Drudge Tells How to Do "Dry Cleaning" at Home.

His Wife—"Come out from under there, George! Your clothes will be all covered with grease again and you know it won't come off. We'll walk home."

Anty Drudge—"Let him fix it, Dearie; and don't fear the grease. Fels-Naptha will take out all the grease spots and stains. It's as good for 'dry cleaning' garments as it is for washing clothes."

Where there's a will there's a way.

But, usually, only one way.

Fels-Naptha is the way through which you can free yourself from the drudgery of the old-fashioned washday—if you will.

What is that drudgery?

You know.

Boiling clothes, making fires, hard rubbing.

Fels-Naptha lops it all off, takes it out of your washday program.

Fels-Naptha itself does all the work that you yourself would have to do in the roundabout way, summer or winter.

And it does it in cool or lukewarm water, without hot fire, without nauseous suds or steam in the house, without hard rubbing.

Have you the will to cut loose from the old ways—to free yourself from this drudgery?

Follow the easy directions on the back of the red and green wrapper.

A Gentle Rebuke.

Lady Dorothy Nevill in her reminiscences relates how Queen Victoria once rebuked a certain mistress of the robes for unpunctuality. A day and hour had been appointed for a public ceremony in which the queen was to take part. The hour had arrived, and of all the court the duchess alone was absent. The queen gave vent more than once to her impatience, and at last, just as she was about to enter her carriage without her first lady of honor, the duchess in breathless haste made her appearance, stammering out faint words of excuse. "My dear duchess," said the queen, smiling, "I think you must have a bad watch," and she unlocked from her neck the chain of a magnificent watch which she herself wore and passed it round the neck of the offender.

How to Hang Curtains.

"Women do not realize the danger to themselves in trying to hang curtains on poles beyond their reach," asserts a well known physician. "Every autumn I have several cases of more or less severe internal displacements, resulting from the overhead reaching." If women would take the trouble to mount stepladders when hanging curtains, putting up pictures or cleaning chandeliers no harm would befall, but women have a constitutional dislike for stepladders; they prefer to climb on tables, piano stools and bureaus to reach high places, and there is always just the one final reach for the fixture that is just out of fingertip reach. It is the one final reach that usually does the mischief, and years of ill health or suffering have resulted from overhead reaching during the fall moving or setting to rights.

How to Mend Lace Curtains.

It is very hard to mend a hole in lace curtains or the lace in underskirts. A very good way to accomplish the task is to take a piece of the lace while you are ironing, stick it on the article with raw starch and press hard. When dry the patch cannot be seen.

To Remove Ink Stains.

To remove India ink or indelible pencil stains from the hands apply wood or grain alcohol with a soft brush or cloth and then wash the hands in warm soapsuds.
